General Notes

For other types of application or use at higher concentrations, a new evaluation may be required; please contact your supplier.

IFRA standards regarding use restrictions are based on safety assessments by the Expert Panel of the RESEARCH INSTITUTE FOR FRAGRANCE MATERIALS (RIFM) and are enforced by the IFRA Scientific Committee.

The evaluation of individual fragrance ingredients is carried out in accordance with the safety standards contained in the relevant section of the IFRA Code of Practice.

It is the ultimate responsibility of our customer to ensure the safety of the finished product (containing this fragrance), if necessary through further testing.
